ABOUT US

Rustic Cheese was founded on over 20 years' experience supplying outstanding cheeses to some of London's top kitchens.

We supply the finest quality cheeses from some of the best artisan producers.

Whether you are looking for a chunk of Montgomery's Cheddar, a wedge of the finest Stilton from Colston Bassett Dairy or a modest cream cheese from Lancashire, we are always able to advise and source cheeses to best suit your individual requirements.

We love to form strong, lasting relationships with our customers and this is supported by our continual enthusiasm towards training and education to ensure our customers have the knowledge to properly care for their cheeses, and ultimately give customers the best experience from their cheeseboards.

We deliver cheese throughout London and the UK, offering next day delivery.

“We are immensely passionate and knowledgeable at Rustic Cheese, so feel free to contact us and see how we can help you”
